&

"The Ruin of the Gods"

**A bold New, Original Tale of Darian MacLear, the strange man who lives countless other lives through otherworldly dreams.**

**A savage tale of courage, conquest, deceit, and vengeance, all revolving around a mad scheme to rouse a behemoth from the depths of time.**

*A LIFE OF PLUNDER AND PIRACY*

It was as Haifdoren the Reaver that I led the sack of Alikornophis, and it was Haifdoren who watched the city crumble. I had lived as Haifdoren before, in other dreams upon other nights, and now I had become Haifdoren once again. No trace remained, either in mind or memory, of a man named Darian MacLear. There was only the stormy past of Haifdoren, a grim, turbulent man, born of a fierce, warring race called the Vengads. I knew no other way of life than raiding, and knew also that my crew would brook no other.

From the day I claimed the sole leadership of my cut-throat outcasts from the Jankan Islands my words were their laws, to be
